CHANGING ROOM POLICY

CRFC_Changing Room Policy_Version 2.0

All Changing rooms are to be Allocated by the Grounds Chairman/Facilities Manager, and where possible contact should be made before arrival.

1. The team manager of the CRFC team must also notify the opposing team of the changing room they have been allocated.
2. Respect should be shown to both genders.
3. Junior players (17 and under) should be supervised at all times in the changing room by two (2) adults who have completed the IRFU foundation Coaching course.
4. Adults (e.g. Coaches, physios, match officials and other volunteers) should not change or shower at the same time using the same facility as junior players. And must wait outside until changing rooms are vacated by the underage team(s).
5. If you are involved in a mixed gender team, separate facilities should be made for each gender and each group should be supervised by adults of the same gender. If this is not possible or where mixed teams compete away from home, they should always be accompanied by at least one male and one female adult.
6. Volunteers should not offer to do tasks of a personal nature which a young person could do for themselves unless specifically requested to do so by a parent/carer, although note that some young people may need assistance with tying laces, fitting head guards etc.
7. Parents do not have an automatic right to be present in the changing room. It is good practice for clubs to control and restrict access to the changing rooms. Children nine and under, if they require assistance, should have one (1) parent/carer to assist, or arrive ready.
8. If a young person is uncomfortable changing or showering in public no pressure should be placed on them to do so. Encourage them to do it at home.
9. Any adults, medically trained or otherwise, of the opposite gender to the team, for example, a female physio working with a male team (or vice versa), must not be present in the changing room whilst players are getting changed or showered.
10. No photographic equipment in the changing room – this includes cameras, video cameras, mobile phones with photographic capabilities, etc.

The club are committed to reviewing this policy on an annual basis.
