## TRAVEL/TOUR CODE OF CONDUCT

*CRFC\_Overseas Travel Code of Conduct\_Version 2.0*

All Players, Club Officials and parents should be aware that, when travelling abroad, they are ambassadors for the Clondalkin Rugby Club and for the game of Rugby in this country. Our code and rules as adapted at home should be at all times adhered to. All individuals and facilities should be treated with RESPECT. All Players and Club Officials should also bear in mind that their Club and others will require the use and co-operation of the same hotels, airlines, ferries and coach company during this Season and in the future.

### When travelling abroad all Players, Club Officials and guardian shall comply with the following:

- Players/Parents/Coaches shall be courteous to hotel/hostel staff, coach drivers, ferry staff and airport/airline staff at all times.
- Players are to bear in mind that there are other paying guests in the hotels/hostels. These guests are entitled to expect a peaceful and quiet stay in their hotel and not be subject to excessive noise or upset by rowdy behaviour of any kind either inside or outside the hotel. All Players and Club Officials should be willing to remind fellow travellers of this if necessary.
- Hotel/hostel rooms must be treated with respect and left in a tidy state when the rooms are vacated.
- Teams must leave the coaches used for training, match and airport/ferry transfers free of rubbish. Water bottles, fruit or any other rubbish should not be left on seats, the floor or on luggage racks.
- Players must use the bin bags provided at all times. Dirty boots should be left in vehicle luggage compartments and wet/dirty training clothing should be covered in order to protect coach seats.
- Training/match facilities are provided on the basis of good will and must be treated with respect. Coaches and Players should behave accordingly and thank any staff present.
- Players/Coaches must be dressed appropriately in official team kit at all times when representing the Club.
- Since there are children of an impressionable age on this trip the language used should be appropriate at all times by all members of the travelling party.
- Drinking by parents and officials whilst not strictly prohibited should be in moderation and responsible at all times as we are role models for all children present.

This is a trip that will stay in the heads of all young players for years to come so I hope everyone has a great time and we making great memories!

We remind all players that the people you are with are your team mates, friends and coaches. Respect the 'Game of Rugby' and play within the Laws & Ethos of the Game. You are Ambassadors for your Club , Country and Your Family.
